# Our Core Services

Fully Turn-Key - From Design to Installation

## COMPLETE DESIGN SERVICES

From interior design to space planning, PJP can do it all. Our staff designers are amongst the best in the foodservice industry and offer innovative and creative concepts that are futuristic in their design.

## CUSTOM FABRICATION AND MILLWORK

Occasionally your vision will require custom fabrication. PJP will fabricate quality stainless steel and wood solutions to integrate with equipment, countertops, and service areas.

## EXPERIENCED PROJECT MANAGEMENT

PJP will assign an experienced project manager to coordinate with local officials and your construction team in order to keep intrusion on your business to a minimum.

## IN-HOUSE AUTO CAD / AUTOQUOTES

All designs are produced in the CAD format to ensure accuracy and ease of identifying all equipment used for the project. These drawings will be coordinated with a professionally prepared quote.

## DELIVERY, INSTALLATION, START-UP

PJP will provide experienced field professionals to ensure your equipment is delivered and installed in a timely manner and meets the quality standards you have come to expect.

## NATIONAL BUYING STRENGTH

Providing national brand names such as: Hobart, Vulcan, True, Victory, Garland, Cleveland, Manitowoc, Ice-o-Matic, Robot Coupe, and Waring. PJP is a member of SEFA, which allows for volume purchases and we pass the savings on to you.
