6" x 5" Clorox® Germicidal Wipes --
New 150-ct Clorox Germicidal Wipes are the ideal size
for nurses everyday disinfection of clinical surfaces
such as glucometers, BP monitors, and more. Because
these surfaces can be a haven for pathogens, it is es-
sential to regularly clean and disinfect with an EPA-
registered disinfectant with quick enough kill times
to fit in with the fast pace of your facility. Help break
the cycle of pathogen transmission in your facility by
ensuring that high-touch surfaces are properly and
frequently disinfected with Clorox Germicidal Wipes
