The Simple Way to Sweeten

CANETM
SIMPLE
LIQUID SUGAR

100% Natural Ingredients, Unique, Simple to Use.

Cane Simple is the only individually packaged liquid sugar on the market and is available in 3 flavors - Regular, Mint, Vanilla. Cane Simple dissolves instantly into cold beverages (traditional granulated sugar does not) to make a perfectly balanced Iced Tea or Iced Coffee with barely a stir. Cane Simple can also add a delicious flavor boost to hot beverages like cappucino, hot chocolate or tea.

Keith Treyball, President of BLT Restaurants says, "Guest reaction has been fantastic! The #1 comment is, 'I can't believe this hasn't been thought of before.' Offering Cane Simple has definitely added to our guest's experience."
