## Promote wellness with one Pull

- Completely enclosed roll helps reduce cross-contamination from hand to hand
- Patented Centerpull nozzle delivers hygienic single-sheet dispensing
- Helps eliminate unsanitary tissue trails hanging from open rolls

## Helps reduce consumption, with improved comfort

- One-at-a-time dispensing helps cut consumption vs. jumbo roll tissue
- No more over-usage from over-spinning the roll
- Larger, more generous sheet size than standard bath tissue
- Soft and thick, two-ply perforated sheets
- Sleek, clean, contemporary style enhances your image
- Complements SofPull Towel Dispensers for a cohesive, modern look

*Average usage from a SofPull product per usage (5 feet)*

*Average usage from a standard JRT per usage (10 feet)*

## Better for the environment

- 45 percent less packaging waste than jumbo roll cases
- No outer carton - conserves paper and storage space
- EPA compliant for recycled fiber
- Packaged in poly

## High capacity, lower maintenance

- Fewer roll changes
- Translucent - easy to see when roll is low with-out opening dispenser
- Fits in stalls with single, side-by-side or stacked configuration

## Rugged good looks

- Rigid, durable design stands up to heavy restroom usage
- Key lock helps prevent vandalism and makes reloading a breeze
