enMotion TOWEL DISPENSER

From the makers of enMotion® comes the new enMotion® Impulse® 8. Packed full of many of the benefits of the original (does not include roll transfer feature), the enMotion® Impulse 8 dispenser is designed to fit efficiently in employee break rooms, medical/dental offices and any areas with limited space. Hygienic, hands-free and highly adaptable, the enMotion® Impulse 8 dispenser is everything you love about the classic enMotion®, and now in a new, smaller size. *Only available via a one-time, lifetime lease agreement through GP or authorized distributor.

- » One-at-a-time towel dispensing improves operational efficiency
- » Automatic touchless dispensing reduces risk of cross-contamination
- » Smaller profile fits great in small spaces and enhances image and decor
- » Adjustable settings - sheet length, sensor distance, time delay, and dispense mode
- » Operates quietly on 3 D-cell alkaline batteries (included)
- » Uses same towel as enMotion® Recessed Towel Dispensers
- » UL Listed

SofPull TOWEL DISPENSER

Easy to buy. Easy to maintain. Easy on the eyes. For professional-grade touchless towel dispensing that helps reduce waste, cost-in-use and the spread of germs, it's an easy choice. SofPull automated high-capacity dispensers and roll towels give you industry-leading GP quality, reliability and cost control - all in a streamlined design with just the features you need.

- » Touchless dispensing - Automatically dispenses one fresh 11" towel. A new sheet is always ready for your customers to keep things moving
- » Longer-lasting rolls- Higher capacity 1000 ft. rolls deliver more hand dries and fewer roll changes and less maintenance time
- » Better hygiene- No levers or buttons reduces hand contact & the spread of germs
- » Simple to operate- just load and go- no settings to adjust
- » Convenient viewing window- One look makes it easy to see when it's time to refill
- » Sleek design- Clean modern style
- » Easier on the environment- Two towel choices available white or brown both made from 100% recycled fiber that meets EPA guidelines for recycled fiber, EcoLogo Certified
- » Warranty - Covers workmanship and parts for 3 years; while normal wear and tear or vandalism are not covered

SofPull TOWEL DISPENSER

Wave your hand and this dispenser automatically delivers a single towel, saving the cost, the mess and the waste associated with traditional folded towels. Soft, high-quality towels come on hard-wound rolls that provide up to 400 12-inch towels per roll for a level of efficiency folded towels just can't match. These automatic, touch-free towel dispensers are the perfect choice for all offices who desire a quick, convenient hand drying that minimizes the risk of cross-contamination.

- » Automatic, touch free towel dispensers provide quick, convenient hand drying that minimizes the risk of cross-contamination
- » Dispenses 400, 12-inch soft, high quality towels per roll for efficiency verses folded towels
- » High tech functionality and sleek styling create a look that is highly professional and sure to impress
- » Easy installation and maintenance

SofPull TOWEL DISPENSER

This dispenser delivers a single towel, saving the cost, the mess and the waste associated with traditional folded towels. Soft, high-quality towels come on hard-wound rolls that provide up to 1090 11-inch paper towels per roll for a level of efficiency folded towels just can't match. This towel dispenser is a perfect choice for all offices who desire a quick, convenient hand drying that minimizes the risk of cross-contamination.

- » Hygienic- No buttons, levers or cranks helps improve hygiene by eliminating touch points
- » Easy installation and maintenance
- » High Capacity- Dispenses 1000 foot primary roll plus stub roll for efficiency and reduced maintenance time versus folded towels
- » Portion control- Dispenses one 11 inch towel to help lower cost-in-use
- » Features a stub roll transfer to help minimize run out
- » Emergency feed wheel helps ensure dispensing if towel is not present
- » Easy & quiet operation with sleek styling creates a look that is highly professional and sure to impress

SofPull® TOWEL DISPENSER

Our attractive and innovative SofPull® centerpull towel system is a smart choice for facilities that require stylish, space-saving solutions with dependable performance and exceptional value. This easy-to-load, self-threading dispenser holds up to 275 centerpull towels in a space-saving junior-sized design. One-at-a-time touchless dispensing reduces waste and minimizes the risk of cross-contamination. Our sophisticated Smoke color makes this dispenser the perfect choice for office buildings, retail and grocery businesses with scanners, bars, or healthcare facilities.

- » Touchless dispensing minimizes the risk of cross contamination
- » Soft, absorbent towel dries hands quickly or wipes up large spills and tough messes
- » One-at-a-time dispensing minimizes waste
- » Dispenses junior capacity 275 sheet rolls ideal for situations where space savings is critical
- » Easy to load, self-threading design
- » Durable construction to maintain aesthetics

SofPull® TOWEL DISPENSER

Our attractive and innovative SofPull® centerpull towel system is a smart choice for steady use areas that demand dependable performance and exceptional value without sacrificing style. This easy-to-load, self-threading dispenser holds up to 320 7.8" x 15" centerpull towels for extended service intervals for enhanced satisfaction. One-at-a-time touchless dispensing reduces waste and minimizes the risk of cross-contamination. Our sophisticated Smoke color makes this dispenser the perfect choice for office buildings, retail businesses, restaurants, or healthcare facilities.

- » Touchless dispensing minimizes the risk of cross contamination
- » Soft, absorbent towel dries hands quickly or wipes up large spills and tough messes
- » One-at-a-time dispensing minimizes waste
- » Dispenses regular capacity 320 sheet rolls ideal for steady traffic areas and extended service intervals
- » Innovative low paper indicator triggers at approximately 50 sheets to ensure timely refills
- » Easy to load, self-threading design
- » Durable construction to maintain aesthetics

Mfg No. 19881/01

TISSUE DISPENSER

This double-roll, covered bath tissue dispenser is designed to reduce maintenance time, minimize outages and reduce waste, making it ideal for high-traffic areas, office buildings, healthcare and foodservice facilities. The system is designed to hold up to 2 rolls 1,000 sheet 2-ply, or 2 rolls 1800 sheets 1-ply tissue making this dispensing system a cost-effective solution for your high-traffic needs.

- » Easy-to-fill, high-capacity dispenser reduces labor and maintenance costs
- » Sliding gate mechanism helps ensure full utilization of the stub roll, eliminating stub roll waste
- » Dispenser can be mounted vertically or horizontally
