

Introducing the SureSense™ Towel & Tissue Program from PJP. Enhance your image, improve hygiene, and increase operational efficiency.

Enhance Your Image

A coordinated towel & tissue program will help enhance your image.

Improve Hygiene

Automatic and manual touchless dispensers will help minimize the risk of cross contamination.

Operate Efficiently

High capacity systems and adjustable towel lengths help you control usage. The stub roll feature and high capacity towels will keep you in stock.

Automatic Towel System Features:

- Continuous paper flow technology eliminates stub roll waste
- Paper Saver mode reduces second towel length by 12.5% or 25%
- Easy loading and labor saving benefits
- Transparent cover shows the status of the roll at a glance
- Locked and secured cabinets prevent waste and pilferage
