dropps
lighten your load

Remove spots, stains, dirt, and grime with the Dropps Laundry Detergent Pacs. Just add your laundry to the washing machine along with a dissolvable pac of this concentrated laundry detergent, and your clothes come out clean and bright. Suitable for regular and high-efficiency washers, these pre-measured laundry detergent pacs work well in both hot and cold temperatures. They are also safe to use on all colors and fabrics. This dye-free laundry detergent is non-allergenic and gentle on sensitive skin. These concentrated pacs also help save both water and energy, and are EPA-approved environmentally-friendly products.

Dropps Laundry Pacs Detergent (sent + dye free)

PJP #280204

Packed 6/80
Mfg No. 80121

Dropps Laundry Detergent Pacs:

Lightweight + space efficient

Toss pac directly into washer drum (1 pac = 1 load)

Pac dissolves completely to release deep-cleaning detergent

Works in HE (High Efficiency) and standard washers

All temperatures (cold or hot) + all colors + all fabrics

Formula is gentle on sensitive skin and on babies

Phosphate-free, NPE-free, enzyme-free and biodegradable. Safe for septic tanks

Scent + Dye Free formula is approved by the EPA's Design for the Environment (DfE) program
