PURELL FOODSERVICE SURFACE SANITIZER
PACKED 12/32OZ

**POWERFUL GERM KILL,
PURELL® PEACE OF MIND.**

**PURELL FOODSERVICE
SURFACE SANITIZER**

Trust the PURELL® brand to sanitize the surfaces you and your food touch.

America trusts the PURELL brand for effective protection against germs on skin. Now, backed by more than 25 Years of scientific expertise, the PURELL brand brings you another effective, comprehensive germ-fighting solution for your surfaces.

PURELL FOODSERVICE SURFACE SANITIZER PROVIDES:

-  **RAPID KILL TIME:** Food contact sanitization for Norovirus, Salmonella, and E. Coli
-  **POWERFUL PEACE OF MIND:** Food-contact formulation features the lowest allowable EPA toxicity rating
-  **MULTI-SURFACE PERFORMANCE:** Proven across most hard and soft surfaces
-  **FORMULATED FOR FOOD CONTACT:** No rinse required, even on food contact surfaces

Clean MATTERS

The PURELL® brand signals your commitment to quality.

Works quickly and effectively.

PURELL Foodservice Surface Sanitizer is a one-step cleaner and sanitizer that dissipates quickly and cleanly with no streaks or sticky residue. The light, fragrance-free scent gives you the peace of mind to use around patrons.

Multi-surface formulation.

Sanitizes and cleans everywhere you need it, with no rinse required, **even on food contact surfaces!**

Effective on **HARD** and **SOFT** surfaces, including:

- Plastic
- Granite
- Sealed wood
- Porcelain
- Laminate
- Upholstery
- Vinyl
- Stainless steel
- Glass
- Formica®

Powerful PEACE OF MIND

Introducing PURELL TOUCHABLE™ Technology

This revolutionary new product quickly and effectively eliminates germs on surfaces, including **Norovirus**, **E. Coli**, and **Salmonella** in **30 seconds**.

But powerful germ kill does not mean you have to expose your employees to harsh chemicals. PURELL® Foodservice Surface Sanitizer is a no-rinse, food-contact formulation, featuring the lowest allowable EPA toxicity rating.

The formulation simply cleans and sanitizes any front or back of house surface without the harsh chemical fumes or required safety equipment of bleaches and traditional all-purpose cleaners.

Gentle enough to clean and sanitize a child's booster seat or cutting board, yet tough enough to kill fast-spreading outbreaks like Norovirus.

PURELL TOUCHABLE Technology means:

- **POWERFUL GERM KILL** – Rapidly eliminates germs from the surfaces you touch
- **CLEAN SURFACES** – No messes or visible residue
- **NON-IRRITATING FORMULATION** – Won't irritate skin, eyes, or nose

No competitor has the PURELL® brand's combined efficacy, low toxicity, & sustainability.
