CONTRACT #005-139

FLOOR CARE

EDGE ISO ORBITAL STRIPPING MACHINE

Cleans and restores a large range of hard floor types. The oscillating action combined with a large range of pads and screens makes fast work of hard floors. High performance motors and down pressure provides an unmatched standard of cleaning. Wheels make it easier to maneuver and the removable weights are now side mounted for better overall balance.

PJP#	MFG#	Description	Pack
299202	30020TE16B	Uses 20" x 14" Pad, 3450 RPM	1/ea.

EDGE ONBOARD HEPA VAC

Option for EDGE floor machine.

PJP#	MFG#	Description	Pack
299207	300004	120V	1/ea

EDGE GROUT RENOVATOR PAD

Use wet with chemicals on most uneven surfaces.

PJP#	MFG#	Description	Pack
299208	EDGE4069	20" X 14", Blue	1/ea.

VENOM™ FLOOR BUFFERS

These reliable, simple and powerful low-speed buffers have easy-to-use, fingertip controls and come with motor-mounted pad driver storage. These buffers are constructed with an all-steel, triple planetary gear box. Units come equipped with a 1.5 hp, 66-frame motor. Pad driver included.

PJP#	MFG#	Description	Pack
229228	VN1715	17" Path, 175 RPM	1/ea.
229230	VN2015	20" Path, 175 RPM	1/ea.

NANO EDGE® OSCILLATING SCRUBBERS

The NANO EDGE® machines give operators the ability to remove multiple layers of finish without using chemicals. Cleans grout lines with ease and is perfect for stairwells or any other small area application that walk-behind scrubbers cannot access due to size.

PJP#	MFG#	Description	Pack
299201	10009TE16B	10 1/2" Path, 4100 RPM, 120VAC	1/ea.
299200	10009TEDC	10 1/2" Path, 4100 RPM, Battery Powered	1/ea

NANO EDGE® STARTER PAD KIT

Starter kit includes: 10 ECO Prep Pads (EDGE-7007), 5 HD Dominator Strip Pads (EDGE-7006), 4 Blue Scrub Pads (EDGE-7003), 2 Magic Eraser Pads (EDGE-7027), 2 White Polish Pads (EDGE-7005), 2 White Driver Pads (EDGE-7025), (1) Tile/Grout Pad (EDGE-7018).

PJP#	MFG#	Description	Pack
299211	EDGE7041	Starter Kit	1/ea.

BASEBOARD CART

PJP#	MFG#	Description	Pack
299212	NANO5000D	w/Pigtail Cord	1/ea.

ADVOLUTION™ 20 BURNISHER

This corded electric floor burnisher is designed to maximize performance, productivity and ease of use. Features Flex Floor Technology that enables the motor to pivot and hug the contours of the floor's surface. Work during the day thanks to the low sound levels of 67 dBA. 75' SuperFlex™ cord with SafeStart™ function. EZ Store™ construction minimizes storage space. Features a carbon brush replacement indicator light, electrically detachable motor, easy-access dust bag and a 1.5 hp direct drive motor.

PJP#	MFG#	Description	Pack
299223	01510A	20" Path, 1500 RPM	1/ea.

DRAGON DUST-CONTROL BURNISHER

Features passive dust-control with cloth collector bag for easy cleaning as well as easy-to-use, fingertip controls. LED pad pressure indicator ensures proper pressure. Folding handle for quick storage. Handle-mounted handle release.

PJP#	MFG#	Description	Pack
229236	DR2000DC	20" Path, 2000 RPM	1/ea.

VENOM™ HI-SPEED BURNISHER

This burnisher features easy-to-use fingertip controls and large transport wheels. Handle comes mounted with a circuit breaker. A heavy-duty, 1.5 hp, DC rectified motor and a safety lock-out switch also come standard. Flexible pad driver included.

PJP#	MFG#	Description	Pack
223235	VN1500	20" Path, 1500 RPM	1/ea.

MA10™ 12E UPRIGHT SCRUBBER

The compact, lightweight design allows you to clean very tight areas with superior productivity. The single-pass scrub and dry performance provides quick access to cleaned areas. Two-hand grip provides comfortable operation. Removable tank in tank design makes filling and emptying easier. Low deck profile gives the operator easy access to hard-to-reach areas. Dosing cap makes adding the right amount of detergent much easier. Includes manual suction hose that offers the ability to reach less accessible areas. Carpet care kit included.

PJP#	MFG#	Description	Pack
299225	107408161	12.2" Path, 0.8/1 gal. Solution/Recovery	1/ea.

MA30™ 13B MICRO SCRUBBER

Sweep, scrub and dry in a single pass. Compact design is ideal for scrubbing small spaces. A powerful 36V Lithium battery provides up to 40 minutes run time and operates at only 66 dBA allowing for daytime cleaning of noise sensitive areas. Cordless design ensures a safer cleaning environment and flexible cleaning options. Tank-in-tank design for easy handling when emptying and refilling. One-Touch™ button for switching on all the machine functions.

PJP#	MFG#	Description	Pack
299227	56385457	Scrubber w/Fast Charger 14" Path, 1.6 gal	1/ea.
299226	9100002070	Lithium-Ion Battery, 36V	1/ea.

FLOOR CARE

SC401™ WALK-BEHIND SCRUBBER

Cleaning efficiency in a small scrubber with dependable cleaning performance and an easy to use design. The SC401 walk-behind automatic scrubber is a cost-effective alternative to labor-intensive mop and bucket cleaning and high-priced, large automatic scrubbers. With its center-pivot squeegee system, optimal blade pressure and superior pick-up performance in forward and reverse, just one pass leaves floors clean, dry and ready for use. Simplify operation and minimize user training thanks to the intuitive, easy to use controls. Clean for over an hour on a single tank of solution and meet green-cleaning standards with the Smart Solutions™ solution flow control and large solution and recovery tanks. Work during the day or in noise sensitive areas with a low operating sound level of only 67 dBA. Ensure complete cleaning of the recovery tank and vacuum shut-off float thanks to the large, easy to access recovery tank cover.

PJP#	MFG#	Description	Pack
299221	56385363	Scrubber w/Traction Drive, 17" Path, 7.9 gal. Solution/Recovery, 86 Ah AGM	1/ea.

MIDLITE GRIT™ 180 BRUSHES

For general purpose scrubbing of sealed or unsealed concrete, stone, terrazzo, quarry tile and other resilient hard floor surfaces. The nylon bristles are impregnated with medium sized silicon carbide grit.

PJP#	MFG#	Description	Pack
229229	56505918	17"	1/ea.
229231	56505928	20" (See Page 17 for 20" Stand-On Scrubber)	1/ea.

ADPHIBIAN™ MULTI-SURFACE EXTRACTOR-SCRUBBER

This soft and hard floor machine is designed to answer the multiple cleaning demands you face today; demands like getting maximum efficiency and flexibility from your operators and your equipment. It enables the cleaning staff to use one machine to pre-spray, and extract carpets and also scrub hard floors. Operators are able to switch between pre-spraying and extracting at the push of a button. A thirty second tools-free changeover lets operators switch between using a full-functioning carpet extractor and a full-functioning cylindrical scrubber. The patented AXP™ Onboard Detergent Dispensing System lets the operator choose the perfect cleaning solution for all floor surfaces. With patented LIFT™ technology (Low-moisture, Indirect-spray, Fast dry time, True cleaning), a unique indirect spray leaves carpets clean and dry in less than 30 minutes.

MFG#	Description	Pack
56317010	Dual 24" Brushes, 20/16 gal. Solution/Recovery	1/ea.

XS20 WALK-BEHIND COMPACT FLOOR SCRUBBER

Rigid design in a small and powerful foot-print, the XSC 20 Pad Assist Floor Scrubber is a workhorse. Ideal size for applications with tight working spaces. The disk style scrub brush is installed and removed without tools to allow ease when switching between different brushes or pads, depending upon the application's needs. The squeegee blades can be rotated or flipped without tools. Steel frame construction and durable components. Simplify maintenance with easy access to the battery and recovery tank. Pad Assist Drive/Pressure controlled with easy to use adjustment knob. Easily operate and maneuver with push button forward and toggle reverse. Clean any hour of the day with approved sound levels less than 67 dBA. Increase productivity with over 2 hours of run time between dump and refill.

PJP#	MFG#	Description	Pack
299205	XSC20PA	20" Path, 10 gal. Solution/Recovery	1/ea.

AS6690T WALK-BEHIND SCRUBBER

This walk-behind scrubber prioritizes smart performance, simple design, and user-friendly operation for cleaning medium to large sized facilities. Equipped with dual-brush decks for fast, effective cleaning. Eco mode greatly extends battery run time for greater productivity. Silent mode allows for cleaning in noise sensitive areas and is ideal for daytime cleaning. Traction drive for increased productivity while reducing operator fatigue. Designed for quick and convenient tools free daily maintenance requirements.

PJP#	MFG#	Description	Pack
229234	AS6690T312	Scrubber w/Traction Drive, 26" Path, 22/24 gal. Solution/Recovery, 312 Ah AGM	1/ea.

FLOOR CARE

SC1500™ STAND-ON SCRUBBER

Designed to provide a flexible, extremely maneuverable and compact solution for small to medium-sized areas. The REV™ system employs patented Dual Random Orbital Scrubbing technology, which scrubs deeper and more uniformly to leave a perfectly scrubbed surface with no swirl marks while using far less water and chemicals. Simple operation with all scrubbing parameters – detergent strength, brush pressure, solution flow and vacuum are all controlled with a single button and are clearly displayed on the easy-to-read, LCD graphical display. The EcoFlex System controls the consumption of detergent so effectively that real savings can be gained without compromising performance. With a single button, effortlessly switch between chemical-free cleaning or select from weak to strong cleaning intensities to match cleaning performance to the soil on the floor and the required level of clean. Flip-up lid and tilt-back tank provides easy access to the recovery tank, debris catch cage, batteries and EcoFlex™ cartridge.

PJP#	MFG#	Description	Pack
299222	56104012	12/12.5 gal. Solution/Recovery, 20" Path, w/REV™ System	1/ea.

ADVANGER® REV™ RIDE-ON SCRUBBER

Combines versatility, productivity and sustainability all in one efficient platform. For deep scrubbing needs, the Advanger® REV™ can also remove floor finish in a single pass. The onboard EcoFlex System controls the consumption of water, detergent and energy so effectively that real savings can be gained without compromising performance. Effortlessly switch between water-only cleaning or various cleaning intensities to match cleaning performance to the soil on the floor and the required level of clean. Built-in squeegee hanging system on back of tank allows easy machine transfer and tank drying. Constructed with heavy-duty steel components for reliability and long life. Adjustable steering column easily configures to driver's height.

MFG#	Description	Pack
56601895	28/29 gal. Solution/Recovery 28" Path, w/REV™ System	1/ea.

LIBERTY SC50 AUTONOMOUS SCRUBBER-DRYER

Safety-certified, fully autonomous and designed for consistent results with minimal oversight, this unit allows operators to focus on tasks that benefit the most from valuable human effort, and provides the means for unmatched productivity in any cleaning operation. The Liberty SC50 gives you programmable floor care that adapts to your needs. Three distinct cleaning modes give you the power to optimize productivity, and as the world's only 3rd-party certified autonomous cleaning solution, it's ideal for operation in a variety of populated environments. Operates in tandem with the included TrackClean™ fleet-management system, which gives you 24/7 access to operational data and provides oversight of cleaning activity at a given location.

MFG#	Description	Pack
56104507	15/14 gal. Solution/Recovery 20" Path, w/REV™ System	1/ea.

PRO RIDE-ON SCRUBBER

High Performance motors and down pressure provide an unmatched standard of cleaning. Brushes are individually driven for unmatched performance. Gimballled drivers improve cleaning on irregular floors. The control panel uses off-the-shelf toggle and marine-duty switches and features universal icons which simplifies training. The fill system features a retractable hose for easy filling on standard sink-faucets and a stainless screen for bucket filling. Squeegee adjustments are made simple with quick change squeegee latch that allows for tool-free maintenance. The vacuum muffler allows machine to consistently achieve as low as 67 dB while thoroughly drying the floor.

MFG#	Description	Pack
545-26TD	22/23 gl. Solution/Recovery 26" Path, Disc	1/ea.

Sanitaire®

RESTORE™ SPOT CARPET EXTRACTOR

An ultra-portable, commercial-grade carpet extractor. 5' hose is ideal for spot-cleaning carpet, stairs, area rugs, upholstery and other hard to reach areas. Powerful suction and 6" scrub brush work in tandem on deep dirt and stains. Tank is removable and easy to fill and empty. Includes 8 oz. bottle of Ultimate Carpet Cleaner + OXY (SC25A).

PJP#	MFG#	Description	Pack
299154	SC6060A	6" Path, 0.75 gal. Solution/Recovery	1/ea.

Sanitaire®

RESTORE™ UPRIGHT CARPET EXTRACTOR

A commercial-grade carpet cleaner equipped with a two motor system. A large rotating brush penetrates carpet fibers to extract deep-down dirt. A powerful vacuum motor provides edge-to-edge suction. Cleans in both forward and backward passes for increased productivity and quick dry time. Features large removable tanks and a long-reach 9' hose with 6" hand tool for hard-to-reach areas. Includes two (8 oz.) bottles Ultimate Carpet Cleaner with OXY (SC25A).

PJP#	MFG#	Description	Pack
299152	SC6100A	10 1/2" Path, 1.75/2 gal. Solution/Recovery	1/ea.

Advance by Nilfisk

ES300™ XP CARPET EXTRACTOR

Choose from three cleaning modes (LIFT, Deep Clean and Pre-Treat) that can be quickly engaged from the control panel. Work longer without emptying and refilling with the increased tank capacity. Improve air quality and reduce the risk of mold and allergens thanks to the fast 30 minute carpet dry time while in LIFT mode. Front-mounted drain hose, integrated hand tool, adjustable handle for increased maneuverability. Conveniently store and maintain this carpet extractor thanks to the compact design.

PJP#	MFG#	Description	Pack
299224	56265500	16" Path, 9/7 gal. Solution/Recovery	1/ea.

VIPER

CEX410 SELF-CONTAINED CARPET EXTRACTOR

A professional self-contained and silent carpet extractor. With its excellent cleaning performance, you can maintain textiles like carpets and upholstery in an efficient and easy way, the powerful vacuum motor ensures fast dry-time. The machine is equipped with large capacity tanks made of ridged, chemical resistant and environmentally friendly polyethylene. The handle can easily be adjusted for different operator heights to obtain an ergonomic working position. Easy to maintain and service, with no tools needed.

PJP#	MFG#	Description	Pack
229237	50000545	16" Path, 9/6 gal. Solution/Recovery	1/ea.

MAXXI II™ 35 WET/DRY VACUUM

Featuring a unique filter system, the Maxi II-35 offers one solution for both wet and dry filtration. Designed with three durable components, the filter completely seals entry to the motor, protecting the motor from dust, debris, water or other liquids. Once the job is complete, the filter can be easily lifted out of the vacuum for a simple rinse, then replaced and ready for the next job in a matter of minutes. The Maxi II-35 wet/dry vacuum offers simple and reliable operation. The lightweight design ensures easy transportation. For enhanced performance, the Maxi II-35 offers a variety of standard accessories, ranging from hoses and wands to squeegees and dusting tools. Hinge motor head lifts off for quick access to the motor. Tip n' pour design allows for easy tank emptying. Rugged and powerful 1,100 Watt motor maximizes cleaning capacity in a variety of applications. Simple foot pedal squeegee release. Easy-to-install front-mount squeegee enables easy water pick-up in forward and backward directions.

ALL CLEANER™ XP ALL-PURPOSE CLEANER

The All Cleaner™ XP offers touch-less cleaning all in a compact unit. The automatic chemical system, indoor pressure washer, powerful liquid recovery vacuum and stretch hoses offer a significant upgrade over hand-cleaning. All standard tools and other cleaning accessories are integrated neatly into the compact design. Operators can easily maneuver the unit in restrooms, stairwells and other tight spaces. Charged with 500 psi (34 bar) of power-spraying punch, the All Cleaner XP gives you the ability to blast away grit and grime without actually having contact with the dirt. The machine sets up for cleaning quickly and easily. Breaking down when finished cleaning is just as simple with plenty of useful storage and organization features. 97 CFM.

ELECTROSTATIC SPRAYERS

PROTEXUS CORDLESS ELECTROSTATIC SPRAYER

Combines electrostatic delivery with advanced battery technology that empowers you to effectively disinfect more thoroughly and with less training than ever before. A unique three-tiered applicator nozzle is easily adjusted to change droplet size, accommodating any product's labeling requirement. Ideal for sanitizing, disinfecting, odor control, pesticides, coatings, etc. A 16.8 volt lithium ion battery system allows the convenience of cord-free cleaning for approximately four hours of use. Electrostatic charge can be disabled or enabled as needed. A tool-free adjustable nozzle provides versatility.

EARTHSAFE
CHEMICAL ALTERNATIVES

PROTEXUS CORDLESS ELECTROSTATIC BACKPACK SPRAYER

This lightweight and portable system is designed around optimal disinfecting and sanitizing chemistries. It maximizes efficiency with the ability to disinfect or sanitize up to 4 times greater surface area than traditional cleaning programs in no additional time. It also reduces infection rates through more proactive and comprehensive disinfection procedures. Provides touchless disinfection or sanitization of full rooms in under 3 minutes. This system is quiet, making it suitable for use in any environment. The removable tank holds 2.25 gallons and offwers up to 10,000 square feet of coverage per tank. A lithium battery provides up to 4 hours of continuous run time.

VICTORY
INNOVATIONS C9

PROFESSIONAL CORDLESS ELECTROSTATIC HANDHELD SPRAYER

Cordless convenience allows for effortless movement room to room. A patented electrostatic charge penetrates chemical providing a thin even spray pattern on all surfaces. The 3-in-1 nozzle lets you set the spray particle size to match your application. An Easy Fill HDPE 33.8oz refillable tank allows you coat up to 2800 square feet on 40 micron setting. The Victory 16.8V Lithium-Ion battery allows you to run between 20-80 tanks on a single charge. This unit weighs only 5.9 lbs. with a full tank. ALSO INCLUDES our new, more versatile soft-sided worksite storage bag. This upgrade comes with practical, time-saving benefits, including upright, leak-free storage (no disassembly needed) and extra storage space for an additional tank or battery.

VICTORY
INNOVATIONS C9

PROFESSIONAL CORDLESS ELECTROSTATIC BACKPACK SPRAYER

Designed to allow the professional to cover up to 23,000 square feet on a single tank of fluid (coverage per tank is determined by internal testing using flow rate and particle size). In addition, it is designed to save time and labor, spray less liquid, and cover more surfaces. Victory Sprayers' patented technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage. Double-charged particles envelope all conductive surfaces – shadowed, vertical and underneath. Removable Easy Fill HDPE tank holds 2.25 gallons of chemical. Cordless convenience allows for effortless movement room to room. A 3-in-1 nozzle allows you to set particle size to match your application. 4 foot hose with quick release valve allows for comfortable reach and maximum maneuverability.
